Uses

Applicable for 8" bases.

Features

- Cover plate forged and made of premium aluminum alloy material, with excellent mechanical and carrier capacity, and shock resistance ability.
- Rational structural design with even loading and less possibility of deforming.
- High-precision machining, fully guarantees the quality and precision of cover plate.
- Made of anti-corrosion aluminum with prior preservative treatment, durable in use.
- Same connection dimensions as that of 8-inch in-pavement lights, interchangeable for different 8-inch lights.
